Dear Admiral Turner

Recently I received information that the CIA had presented a Warsaw Pact threat briefing (with emphasis on air power) to General Dixon, TAC, who voiced reservations about some of the conclusions arrived at in the presentation. As a result of General Dixon's remarks, General Jones and other high level Air Staff personnel have expressed high interest in receiving the same briefing.

I am aware of the fact that the briefing had no script but was strictly a verbal and vugraph presentation given by members of your OSR staff. I further understand that the vugraphs used in the briefing were taken on an ad hoc basis from other canned briefings and have subsequently been returned to those briefings, thereby requiring some time to reassemble.

I would like to request, nonetheless, that the briefing be reassembled in its original form and a date be determined after which General Jones can receive it.

I realize that such a task is time consuming but believe that General Jones should hear the referenced briefing.

Sincerely

JAMES L. BROWN, Maj Gen, USAF  
Asst Chief of Staff, Intelligence
